*MAKING CONNECTIONS*

Like the variable patterns created by the stable integrated lenses of a traditional Kaleidoscope, Clydeoscope Educational Consultants lead educators (and the learners with whom they work) through multiple educational perspectives.

*Whether searching for and organizing a grant writing project, developing project based learning rubrics, creating professional development programs or evaluating online/blended courses, Clydeoscope, LLC can help simplify the process.*

*Tasting the Roots of Western Civilization with The Fondazione Alario, Ascea, Italy*
